Dear Parents & Carers,

Next week the Year 4 and 5 children are invited back to school along with the Key Worker children. This enables the children to be back with their class-mates and teacher for a week before the summer holidays.

We can offer the children school dinners and the choices will come out in the newsletter on Friday.

If you would like your child to return please follow the link below:

When children return to school please can they wear their school uniform as much as possible. I understand children may have grown out of some of their uniform and I don't expect parents to buy new uniform or shoes before September.

If your emergency contact details have changed please can you email the office so we have the most up-to-date information for you.

To reduce transmission of any germs please can children not bring anything in to school apart from their lunch-box and drinks bottle. Home Learning Packs can be left at home as Learning will be printed out. Do not bring in any toys or anything that is soft and no bikes or scooters to be brought on to site.

School and staff are going to great lengths to ensure your child is safe so we appreciate it if parents follow social distancing guidelines from the government when outside of school. Your support with this is much appreciated.

The same guidance still applies; if your child or any member of your family displays any symptoms – a new cough or a high temperature they should be kept at home for 7 days and if a family member displays symptoms your child should not come to school for 14 days.
