Policy for Sex and Relationships

Vision

The Link Academy Trust believes it is the right of all pupils to be given access to a high quality, inclusive, broad and balanced curriculum which prepares them for life beyond our schools.

Our learners will be given opportunities to become independent, collaborative, creative and confident learners.

This will be achieved through experiences which are challenging, relevant and enjoyable.

Strategy for Sex and Relationships

Delivery

Sex and Relationships Education has been moved to Key Stage 3 and is no longer taught explicitly at Key Stage 2.

We believe it is important for children to be aware of the changes that are or will be happening to their bodies, so in the summer term, for year 6, the school nurse or class teachers educate our children through a series of sessions focussing on growing up and puberty.

This Policy was reviewed by the Local Governing Board on a 3-yearly cycle and must be signed by the Chair of Governors and Executive Headteacher.
